# TESTIMONIALS

**Dr. Shefali**

"Valerie- BRAVO! You are an active listener and have a HUGE, empathic heart and many excellent coaching skills. Great use of CPMTM techniques that helped bring your client to the present moment and inner stillness. You show so much compassion for your client and that led you to see how self care plays an important role in your own life and that of your clients life. You demonstrated excellent mastery of techniques such as mirroring and reframing for you client. I appreciate and applaud your use of assigning homework for your client AND more importantly, you followed up with your client and held her accountable in a compassionate and non-judgemental way. Your confidence and open heart will lead you anywhere you choose to go, Valerie! Brilliant work! Your passion for this work is so evident - and so clear. Thank you for your commitment to being an ambassador of this message".

**Sean Griffith**

"Val is a Super Hero!! She has helped me some much to connect with my inner self and get away from what society has told me to do. What makes her special is her heart. She puts people first and tries to help people figure out how to make them special and get them back to their authentic self. What changed my life was to make a commitment to take specific action. Through Val's coaching I am showing myself that I can improve and be a better person, and parent. She cares about my goals and that makes me care about wanting to improve myself...She's the one!! Thank you Val and keep on impacting people's lives".

# TESTIMONIALS

Bob Lancer

"Val is the real deal! Her understanding of personal development, as it applies to both children and adults, is unsurpassed. She speaks, trains and coaches with passion and with the precision of someone who knows how to lead to the next higher level. Her integrity, her talent, her command of communication and her genius makes her an invaluable contribution to any organization".

Margarita Eberline

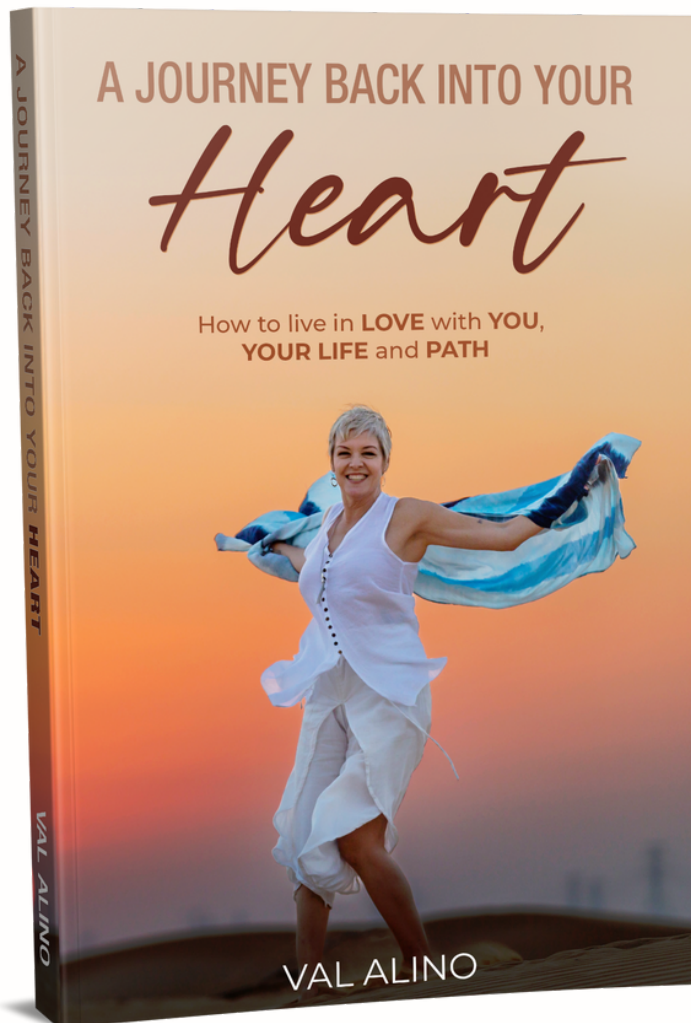

"Val Alino has helped me manifest miracles in my life. She has changed the way I think, feel, and speak, and has guided me to be the best version of myself. I used to be shy and introverted, but Val helped me to find my voice and to express myself with confidence. She has helped me to see the world in a new light and to find beauty in everyday moments. If you are searching for someone who can help you to change your life for the better, Val Alino can speak the words you need to help you make it happen."
